Mr. Steven H. Gunderson Rocky Flats Cleanup Agreement Project Coordinator Colorado Department of Public Health and Environment 4300 Cherry Creek Drive South Denver, Colorado 80246-1530

Dear Mr. Gunderson:

The Final Closeout Report for Individual Hazardous Substance Site (IHSS) Group 800-4 was submitted to your agency on February 10, 2003. Previous reviews have been completed and comments have been incorporated in the document. Our contractor, Kaiser-Hill Company, LLC, provided your staff with page changes on March 6, 2003, to incorporate Wildlife Refuge Worker Comparisons Table and Evaluation. Copies of the page changes were also provided to the U.S. Environmental Protection Agency, Region VIII. Therefore, the Department of Energy requests approval of the Final Closeout Report at this time.

If you should have any technical questions regarding this request, please contact Norma I. Castaneda of my staff at (303) 966-4226, or you may contact me at (303) 966-4765.

Sincerely,

Richard J. DiSalvo
